DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Applicant: **Mandarin Airlines Company, Ltd.**

Date Filed: April 21, 2000

Relief requested: Exemption from 49 U.S.C. 41301 to conduct scheduled foreign air transportation of persons, property and mail between Taipei, Taiwan, and Saipan, Northern Mariana Islands, using aircraft wet-leased from China Airlines, Ltd.

DISPOSITION

Action: Approved

Action date: May 4, 2000

Effective dates of authority granted: May 4, 2000 - May 4, 2001

Basis for approval (bilateral agreement/reciprocity): The authority is provided for in the Air Transport Agreement between the American Institute in Taiwan and the Taipei Economic and Cultural Representative Office. We found, based on the record in this case, that Mandarin has been properly designated and licensed by its government, is operationally and financially qualified to conduct the proposed services, and substantially owned and effectively controlled by citizens of Taiwan. Further, the FAA has advised us that it knows of no reason to withhold this authority subject to the special condition below.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

☒ Standard exemption conditions (attached) ☐ Foreign air carrier permit conditions (Order - -)

☒ Special condition: In the conduct of the services authorized, Mandarin shall use only aircraft wet-leased from China Airlines.¹

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
